ABOUT THE MOBILITY GRANTS PROGRAM

The Slovak Academy of Sciences (SAV), the Faculty of Arts of Comenius University (FF UK), the French Institute Slovakia (IFS) & CEFRES offer nine-months-long mobility grants at the CEFRES to 2nd year and above PhD students enrolled either at the SAV or the FF UK.

The amount of the mobility grant is of **500 € per month during 9 months, cumulative with the PhD scholarships at SAV / FF UK**. Good command of English is mandatory, command of French is appreciated. The selected PhD fellows will join [CEFRES team](#) and actively take part in the center's scientific life. Fellows' research should contribute to one of CEFRES's [research areas](#).

The selected doctoral students will join the CEFRES **multidisciplinary research team**: they will work in an international research center, present their work at the internal CEFRES seminars, and may also organize a scientific event (workshop, conference...) co-financed by the Center.
